

TRB Freeway Operations Committee Midyear Meeting & Active Traffic Management Summit

Transportation Research Board Committee AHB20

June 13 to 16, 2010—Sunday to Wednesday

This year the Freeway Ops committee travels to **Denver, Colorado** for its annual mid-year meeting. This year's meeting will feature "Twin Summits" made up of a **Committee Strategic Planning Summit** for Committee leadership, members, friends, and Emeriti, and an **Active Traffic Management (ATM) Summit**, including an ATM mini-conference on June 16th with technical presentations by the **Colorado Department of Transportation (CDOT) and other experts.**

During the sessions the Committee will create a five-year strategic plan for the Freeway Operations Committee. The mid-year meeting also includes a technical tour of the CDOT Statewide Traffic Management Center in Golden and an update on IntelliDrive.SM

The conference is a Tie-Free Zone—business casual dress.
