In this dual appointment, Chris leads two state-level authorities whose missions are focused on improving mobility by providing reliable transportation options to Georgia commuters and innovative financing solutions for Georgia's transportation program. In addition to managing toll operations and providing financing solutions such as bond financing, SRTA manages the Georgia Transportation Infrastructure Bank, a revolving infrastructure investment fund that awards grants and provides loans with attractive terms to fund eligible transportation projects. Chris oversees management of a \$1B bond debt portfolio, the proceeds of which fund projects built by the Georgia Department of Transportation (GDOT). Chris serves as his agencies' primary liaison to GDOT's P3 program and is a member of the Metropolitan Atlanta Rapid Transit Authority (MARTA) Board of Directors.

At IBTTA, Chris is a member of the Board of Directors, currently serving as Second Vice President. Before his appointment to IBTTA's Board of Directors, Chris actively served the association on various committees including Chair of the Audit Committee in 2016. Chris is slated to serve as the association's president in 2019.
