

{ *bastion* }

community of resilience

Bastion is an intentionally designed neighborhood in New Orleans for **returning warriors** and families with lifelong rehabilitative needs. Through our innovative community model that empowers neighbors as volunteers in a warrior's care plan, we **will sustain a thriving recovery from the wounds and casualties of war.**

OUR MANDATE

- Bastion serves disabled veterans and families who are at the greatest risk of slipping through the gap in the existing continuum of care.

COMMUNITY

- Post 9/11 veterans and families including children
- Surviving family members
- Volunteers especially older veterans

ACCOMMODATION

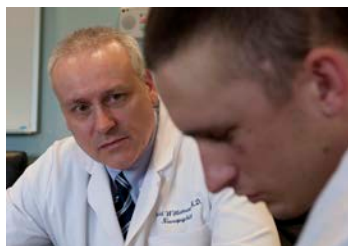

- Anyone who may benefit from supportive and accessible housing
- At-risk of institutional care or homelessness
- Some rentals are income restricted

SERVICES

- Supportive services provided on site
- Coordination, navigation, education
- Prevention and intervention

Bastion is located at 1901 Mirabeau Ave. and 10 minutes from the New Orleans VA Medical Center.

Dr. David Williamson, MD
Chief Medical Director, Nexus Health Systems

"The Bastion concept is the only community-based strategy that I've seen with the type of emotional and everyday support that some warriors will require for the rest of their lives, because it's woven into the very fabric of the place they live."

SIGN UP NOW!

Are you willing to share your time and talent for the benefit of your neighbors? Sign up at www.joinbastion.org/residents to register your interest in leasing one of our 78 rental homes. A community liaison will follow-up with you immediately.

MAKE AN IMPACT

At **Bastion**, we support a holistic approach to reintegration and recovery in which every resident gives service. Join a network of other like-minded veterans, caregivers, and volunteers in our residential neighborhood nestled close to Bayou St. John and City Park. **Find your purpose and rediscover your passion.**

STAY ENGAGED

Enjoy access to our Wellness Center and participate in the following community activities: Mentorship and support groups | Respite for caregivers | Recreation and fitness | Alternative therapies that stimulate self-healing
