

EXECUTIVE PROFILE

TIM STEWART

IBTTA President

Executive Director, E-470 Public Highway Authority

Tim's career includes over 36 years in the construction, engineering, and maintenance industry of which over 33 years was in the tolling industry with both the Oklahoma Turnpike Authority (OTA) and E-470 Public Highway Authority (E-470 PHA). Prior to working in the tolling industry, he owned and managed his own residential construction company in Chickasha, Oklahoma.

Tim's tolling career began with OTA in 1984 where he held various positions beginning in field maintenance services and advancing to Director of Patron Services, Director of Maintenance, Director of Planning and Operations, and Deputy Director & Chief Operating Officer, a position he held beginning 2005. Tim was named Executive Director of the OTA on April 1, 2013 and served in that role until January 31, 2016 when he was appointed as Executive Director of E-470 PHA. Tim began serving as Executive Director of E-470 PHA on February 1, 2016.

Tim currently serves as IBTTA's President through for 2018. Tim has served IBTTA and its members through work on various committees before being elected to the IBTTA Board of Directors in 2014. Tim is a graduate of Oklahoma State University, OKC with a degree in Civil Engineering Technology.
