Ms. Gutierrez-Scaccetti participated in several major agency initiatives, including the remediation of the E-ZPass System, the financial and operational consolidation of the New Jersey Turnpike Authority and New Jersey Highway Authority, bringing the New Jersey Turnpike and Garden State Parkway under a single organization. A major undertaking was the development and financing of a 10-year, \$7 billion capital program that kicked off the widening of the New Jersey Turnpike from Interchange 6 to Interchange 9. This transformational project provided significant congestion relief to a major portion of the I-95 Corridor.

The Commissioner's accomplishments and leadership have been recognized by the Executive Women of New Jersey, WTS Central Florida Woman of the Year, and Orlando Business Journal's 2015 CEO of the Year for the Public Sector.
