

EXECUTIVE PROFILE

RENÉ MOSER

IBTTA International Vice President
Managing Director, ASFINAG

René Moser is Managing Director of ASFINAG Commercial Services GmbH and Senior EU and International Affairs Manager at ASFINAG.

René is a member of the IBTTA Board of Directors, serving as the International Vice President as part of the Executive Committee and sits on several IBTTA Committees and Working Groups.

René joined the Austrian highway operator ASFINAG in 2004, headed the corporate strategy, international affairs, and innovation department for several years, and took over the management of ASFINAG Commercial Services GmbH on 1 October 2015. From 2009 to 2011 he was delegated to the European Association of Motorway Concessionaires – ASECAP and thereafter established and managed ASFINAG’s Liaison Office in Brussels.

Early in his career, René specialised in telecommunications and transport and he was responsible for developing and managing EU funded projects in the field of intelligent transport systems. René studied Urban Technologies at University of Applied Sciences “Technikum JOANNEUM“, Kapfenberg (Austria) and completed his Master of Business Administration at Vienna University of Economics and Business and Carlson School of Management (University of Minnesota) in 2015.

René is a member of the General Assembly and Executive Committee of ASECAP and a member of the Executive Board of CEDR (Conference of European Directors of Roads).
