

## EXECUTIVE PROFILE

---

### BILL HALKIAS

IBTTA Second Vice President

*Chief Executive Officer, HELLASTRON (Hellenic Association of Toll Roads Network)*

---

Bill M. Halkias, PE, F.ASCE, F.ITE, is the Managing Director & Chief Executive Officer of Attika Tollway Operations Authority (Attikes Diadromes SA) and the President of the International Road Federation (IRF) based in Geneva.

Bill Halkias served as the first President of the Hellenic Association of Toll Road Network (HELLASTRON) from 2014 to 2019 and served as President of ASECAP (Association Européenne des Concessionnaires d’Autoroutes et d’ouvrages à Péage), the European Association of Operators of Toll Road Infrastructures for the year 2018-2019 term. Under Bill’s leadership, Attikes Diadromes became a real school for toll road operations practitioners, with most of the Greek Toll Operators headed by people who were professionally recognized as Attikes Diadromes managers and staff.

Bill is well recognized within the Traffic / Transportation Engineering fields and within the Toll Road Operations Industry as being a very effective manager, working and communicating at the international level.

Bill serves as a member of IBTTA’s Executive Committee as the Association’s Second Vice President. Before being appointed to the Executive Committee, he served on the Board of Directors and many committees over the years. He is currently active on the IBTTA Emerging Technologies Working Group on Connected and Autonomous Vehicles and a member of the IBTTA Awards Committee.
