

A place for you!

Indra is one of the leading global technology and consulting companies and the technological partner for the core business operations of its customers worldwide. Our business model is based on a comprehensive range of proprietary products, with a high-value focus and with a high innovation component. In the 2019 financial year, Indra achieved revenue of € 3.204 million, with more than 49,000 employees, a local presence in 46 countries, and business operations in over 140 countries. You will work in an environment of innovative solutions and services providing added value for our customers in various sectors.

This is your opportunity!

We are looking for an experienced and forward-thinking professional to deliver efficient and effective services and solutions to meet the demands of our customers.

Role: Field Technician

Location: Fairfax, VA, USA

Requirements:

- Telecom technician, electrician, or similar
- 5 years as a field technician
- The technician will work with the local team managing the installation subcontractor, configuring, and maintaining field devices.
- Transportation projects experience is required
- Experience interpreting design plans/drawings and related installation diagrams.
- Experience interpreting electrical design/drawings and installation diagrams.

Main responsibilities:

- Supervision of the installation of Electronic Toll Collection System (ETCS) and Intelligent Transportation System (ITS) devices by the installation contractor.
- Configuration of ETCS/ITS field devices, controllers, software, and related devices.
- Troubleshooting failed devices/equipment, field replacement with spare parts, and repair of equipment.
- Preventive maintenance of installed devices/equipment to maintain the operation of the devices/equipment and the expected life span.
- Development of As-Built documentation.
- Corrective Maintenance as required.

At Indra, you will have a career suited to your professional goals, with opportunities for training in a flexible environment. You will take part in international projects with international or local teams, in a diverse environment with equal opportunities. You will enjoy a competitive remuneration package including great benefits, while you gain experience in an innovative environment.

The opportunity that you are looking for is here, come and discover it!
