Feb 28, 2019

Participating Agencies of the Interagency Group (IAG), for purposes of this procurement referenced to as the Interagency Group Participating Agencies (IAGPA), are releasing a joint Request for Proposals (RFP) with the intention of identifying a vendor or multiple vendors to provide electronic devices, ancillary equipment and services to continue operating a compatible electronic toll collection system.

The North Carolina Turnpike Authority (NCTA) is serving as the host procurement Agency and will advance this procurement on behalf of the IAGPA. NCTA has designated Mr. Seth Fisher as the Procurement Coordinator for this effort. Any questions in regard to this Notice or requests for an RFP package shall be directed in writing to Mr. Fisher by e-mail at IAG_RFP@ncdot.gov.

The RFP, all related documents, and other information concerning the RFP may be accessed online at <https://connect.ncdot.gov/business/Turnpike/Pages/E-ZPass-Transponder.aspx>.
